Wonder

WOOD
COLLECTION

Wood tiles 600x1200mm (also known as 2x4 feet tiles) are a popular choice for flooring because they offer the look and feel of real wood, but they are also more durable and easier to maintain than traditional hardwood floors. These tiles are made from a variety of materials, including porcelain, ceramic, and stone, and they are available in a wide range of colors and finishes.

WOOD
COLLECTION

600x
1200mm

Carving Matt tiles are made from porcelain or ceramic, which are both very durable materials. They are resistant to scratches, chips, and stains, making them ideal for high-traffic areas.
